Summary

Computer Science student with strong skills in C, Python, and web development, supported by strong academic performance and a quick-learning mindset. Demonstrated leadership, team management, and collaboration skills through academic and extracurricular experiences.

Education

Sree Dattha Institute of Engineering and Science, B.Tech in Computer Science (Business Systems) 2023 – present

- CGPA: 8.88 / 10.0
- **Relevant Coursework:** Operations Research, Web Technologies, Computer Networks, Marketing Strategies

Experience & Leadership

Data Analytics Intern, Zetheta Algorithms Private Limited Jun 2026 – Jul 2026

- Developed an end-to-end silver price forecasting system using 25+ years of historical commodity market data, leveraging machine learning and time-series models.

Google Student Ambassador, Google Gemini (On Campus) Aug 2025 – Nov 2025

- Spearheaded campus-wide brand awareness campaigns for Google Gemini, driving measurable growth in product adoption and student engagement across peer networks.

Projects

Tech Layoffs Predictor – Workforce Analytics Platform GitHub | Live Demo

- Analyzed 12,000+ real-world layoff records using Python and Pandas to identify industry, company, and region-specific workforce trends.
- **Tech Stack:** Python, Streamlit, Pandas, NumPy, Scikit-learn, Matplotlib, Jupyter Notebook, GitHub

ReBite – AI-Powered Food Waste Reduction Platform GitHub | Live Demo

- Developed a platform to streamline surplus food redistribution, improving coordination between donors and recipients while reducing food waste.
- **Tech Stack:** Next.js, TypeScript, Supabase, Tailwind CSS, AI Integration, Vercel, GitHub

Skills

Technical: C, Python, SQL, Html, CSS, React JS, MySQL, PowerBI, Github, Jupyter Notebook

Interpersonal: Leadership, Team Management, Quick Learning, Time Management

Certifications

- Accenture Data Analytics and Visualization Virtual Experience Program (Forage)
- Intel AI Aware Certification
- TCS Career Edge – Young Professional
- Brainovision International Student Workshop on Python

Achievements

- Received an internship offer from Paytm for the role of User Growth Intern.
- Achieved First Grade at the WIZ National Spell Bee (School Level, 2018).
